

STUDENT ASSISTANT (UNDER-GRADUATE/GRADUATE) WANTED!

The Chair of Public Economics is seeking

for the summer term 2019

a student assistant for the support of the team at the Chair.

As a student assistant at the Chair of Public Finance, your responsibilities will include the support of scientific staff with teaching and participation in the research projects of the Chair. You will work with *LaTeX* and the statistical program *Stata*. It is an advantage if you have any prior knowledge of these programs, but in the course of your work, you will also have the possibility to learn.

It would be ideal if you could work between 4 and 8 hours per week.

We are looking for motivated candidates who are able to work independently and reliably in an international team. If you are interested in empirical public finance research, send us your application. We especially encourage students enrolled in the *Master of Science in Economics* to apply.

Please send your application, your previous certificates from school and university, and reports from any occupational activity by **February 14th, 2019** to:

Lehrstuhl für Volkswirtschaftslehre,
insbesondere Finanzwissenschaft
z. Hd. Boryana Madzharova
Lange Gasse 20
90403 Nürnberg

or **Boryana.Madzharova@fau.de**

We are looking forward to your application!
