

STUDENT ASSISTANT (UNDER-GRADUATE/GRADUATE) WANTED!

The Chair of Public Economics is seeking

for winter term 15/16

a student assistant for the support of the team at the chair.

The work at our chair as a student assistant provides you insights into our chair. For example, you support the scientific staff with the preparation of teaching and participate in empirical research projects of the chair. As a research assistant you will work with *LaTeX* and the statistical program *Stata*. It is an advantage if you have any prior knowledge in these programs. But in the course of your work you also have the possibility to learn them.

It would be ideal if you could work between 4 and 8 hours per week at our chair.

We are looking for motivated candidates that are able to work in an international team. Further, we request the ability for independent and reliable working. If you are interested in empirical research and economic questions, send us your application. We highly encourage students of the *Master of Science in Economics* to apply at our chair.

Send your application, your previous certificates from school and university and reports from occupational activity until **November 22, 2015** to:

Lehrstuhl für Volkswirtschaftslehre,
insbesondere Finanzwissenschaft
z. Hd. Carolin Holzmann
Lange Gasse 20
90403 Nürnberg

or carolin.holzmann@fau.de

We are looking forward to your application!

Stand: 03.11.2015
